This NOTICE is not intended to offend

Payment may be made to *Guitar Technical Services* by Cash or by Credit or Debit Card by using

a) **Payatrader** an affordable way for small businesses to accept payments by credit or debit card.

b) If paying by PayPal via the above website by prior arrangement there is an additional levy of 5% in addition to the invoice cost. This is to cover charges made by PayPal.

As from the 1st July 2011, I can no longer take cheques - even with a cheque guarantee card - as many banks have now informed their customers either that cards issued in the future will not guarantee cheques or that currently issued cards (e.g. debit cards) are no longer valid to guarantee cheques. All cheques will therefore have to be treated as having no guarantee card and a waiting period of 10 days would be required to process cheques before instruments are handed over.

Any guitar not collected after a period of 1 month without prior agreement will be disposed of as unclaimed and no longer required

Please ring 01926-499012 or 07767-431043 for an update if no collection/promise date for completion of work was given. Thank you, Peter Allen
